The edit to the response is in the attached file. To respond simply, the last sentence of the RI review comment has been deleted.

Further information (and this information gets into the dirty details of the review) – The comment is from the original 2015 RI Section 3.6, but section 3.6 does not exist in the new 2017/2018 RI. In the September 2017 roadmap provided by CPG, they wrote “this comment is not addressed by the reach-by-reach text, but in other parts of the report”. The reach-by-reach is Section 4 of the new RI. The comment response was not located in “other parts of the report”. Therefore, it appears CPG did not respond and the old comment has been retained. The comment (with the last sentence deleted) in the attached file requests the change be made in section 3.4, which appears to be the most appropriate section in the new RI for the change.

Thanks,
Aaron

So, I have been selected for jury duty, of all the dumb luck. It will be 2 weeks max, but hopefully shorter. I am able to work during our lunch hours so I will be doing so.

I am not going to be able to be on the RAO call, but go ahead with it. I already talked to Michael and I agree with him.

Michael has a simple question about our RI comments which I attached, please amend.

Michael will be meeting with the CPG next week so we don't slow down and if I am still not done by April 30th, please go ahead without me in Newark.

Lastly, the CAG meeting is going to be here before we know it. We need a few slides to sum up the CSTAG comments and a few slides about SWAC and RALs. We do seem to be moving away from RALs but we may need to explain it anyway.

I am sending our comments to Karl tonight so we will hopefully have final by early next week which Michael will share with CAG, CPG and PAs.

Thanks everyone.

James and I have the Lower 8-mile call at 3:30 on Monday. If it works for everyone else, maybe we start the 10am weekly call earlier

...obviously isn't happening. Diane is on jury duty.

Can this be rescheduled for Monday? I am busy from 10 – 3, but available at other times. I cannot get out of that commitment, unfortunately.

We could try for tomorrow, but I'm not sure of Diane's availability.

Can someone please organize this? Thank you!
